The Story Behind Our Famous Cheese Shop Cookies

OATMEAL COOKIES MADE WITHOUT FLOUR!!! The recipe for these delicious cookies was given to us while growing up in Long Beach, California, in the early 1960's - from the old lady next door, Hazel - and it was an old recipe even then!!! Hazel always said that she ate them when she was a little girl, so it's easy to imagine someone baking them well over 100 years ago! We still use the same recipe and bake them daily. **THESE OATMEALS ARE FAMOUS!!!**

- FLOURLESS OATMEAL** \$0.99
- CHOCOLATE CHIP** \$0.99
